Docket #99P-1340/CP 1
Dockets Management Branch
Food and Drug Administration
Health and Human Services, Rm. 1-23
12420 Parklawn Drive
Rockville, MD 20852

Food and Drug Administration:

Please know that I support the petition filed by the Environmental Health Network of California to have Calvin Klein's eau de parfum "Eternity" declared misbranded because it contains toxic ingredients and ingredients whose safety have not been substantiated, but its packaging has no warning label.

Thank you,

Dorothy M. Skillings
